NOTE TO: Director of Logistics

STAT FROM:   
Chief, Plans and Programs Staff, OL

SUBJECT: Five-Year Plan, FY-1983-1987

1. Plans and Programs Staff has updated OL's Five-Year Plan for FY-1983-1987 for submission to the DDA by 30 September 1982. A draft of the Plan is attached for your review and comment. OL's Five-Year Plan is in two parts. Part I, at Attachment A, will be forwarded to the DDA and contains only those objectives that will be tracked at the Directorate level. Part II at Attachment B is for OL internal use and contains all objectives which support DDA goals. Also attached for your reference are DDA goals and assumptions for FY-83 which do not differ significantly from those for FY-82. Hence, our updated Plan has not changed significantly.

2. Please note any changes on the draft Plan. The document is on the CPT Word Processor so we can easily make changes.
